Isha Outreach and You See join hands together

October 2010

Isha Outreach and the Hyderabad based YOU SEE signed an agreement to undertake a pilot project to link a results-based, Post Pay Philanthropy funding model with the Mobile Health Clinic services provided by Isha Outreach. The pilot focuses on recovering operating costs of one of the Mobile Health Clinics at Chennai for a period of 3 months starting October 2010. You See has also supported Isha to strengthen its monitoring and evaluation to showcase results and pinpoint health trends in over 40 slum neighborhoods of Chennai. The purpose of this effort is to promote the mobile health services and interest donors in a supporting successful program based on documented results. Isha operates 13 such mobile clinics in over 700 communities throughout Tamil Nadu.

Alandurai IRHC celebrates second Annual Day

October 2010

Isha Rural Health Clinic (IRHC) at Alandurai celebrated its second annual day on October 10th by organizing a free public medical camp. Dr. Krishnamoorthy, the Chief Director of Shree Lavanya hospital, and sponsors inaugurated the camp. Around 300 rural people were screened for hypertension, anaemia and cardiac diseases using echocardiography and blood examination. High risk groups and newly diagnosed cases received consultation from specialists.

A 'Kudumbavizha' family function was organized in the evening. Dignitaries, clinic staff, Isha volunteers and local people gathered to dance to the tunes of Sounds of Isha and see the budding actors of Isha Home School perform drama on 'Ramayana' theme. Alandurai IRHC offers quality care at a nominal rate to the rural community. The clinic is well equipped to carry out basic lab investigations, ECG, HIV testing and has daily patient turn out of over 90 patients. It will soon offer dental care.

Support group meeting for Patients Living with HIV/AIDS (PLHAs)

September 2010

Support group meeting was held for People Living with HIV/AIDS (PLHAs) and their family members on September 5th at Isha Community Care Centre in Palladam, Tirupur district. About 200 people (including 125 PLHAs) were introduced to yoga practices to reduce stress and enhance physical and mental wellbeing. Medical experts conducted sessions on various aspects of HIV/AIDS to empower the patients with medical knowledge.

To provide them with an avenue to contribute to society, each attendee was encouraged to plant a tree sapling. The guests shared lunch with the participants. The whole event was sponsored by The Rotary Club of Palladam, The Rotary Club of Palladam Rainbow and The Lion's Club of Palladam. Dr. Mohamad Ali, District Project Manager HIV/AIDS project TANSACS, Mr. Narayanasamy, President of The Lion's Club of Palladam, Mr. Kanagaraj, President of The Rotary Club of Palladam and Mr. Srinivasan, President of The Rotary Club of Palladam Rainbow were guests of honor; and the event was presided over by Dr. Krishnamoorthy, former Director of Health for the State of Tamil Nadu.
